The Boutique Expands!

Free Wi-Fi!

While you are here enjoying your color service or any of our beauty services, you can now be online while relaxing during a process!

I have also added Netflix for our clients to enjoy while they are here.

Our free coffee bar has several kinds of roasts and teas to offer with a few snacks if your stopping in after work and need a little something.

Our hair consultations are always at no charge to you. So if your looking for a change or just want to get some ideas for a new hair style or color, stop in! We'd love to help.

I am pleased to present to you Season's Magnetic Purses and Sierra's Option Sandals. This is the hottest concept in women's accessories! Season's bring you not only a wonderful handbag, but offers over 30 different fashion looks—a different purse for every day of the month if you choose to do so! There is no need to empty your purse each time you feel like

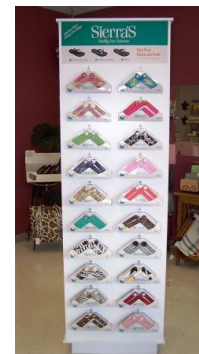

changing—now all you have to do is take out the inner bag and magnetically snap on your new cover! It's also a very inexpensive way to get a brand new purse. Just buy another wrap style and you're ready to go.

The standard size purse offers two styles of wraps, the 3-sided wrap and the Full Wrap in new & cool designs. We have Large Purse Wraps with awesome purse styles! Our folding Totes are very popular and fly off the

shelves! They come in the same designs, fold up small and neat and open to a very large shopping bag or carry on.

Our Paige Wallets, photo holders, jewelry travel cases and clutches coordinate with all of our new items, including the changeable strap San-

dals by Sierra, a very exciting new casual footwear. Sierra's start with a tri-core construction which provides one of the most comfortable sandals you'll ever wear with an awesome arch support. Adding to the base shoe, we offer over 50 styles of strap options ranging from polka dots and fabrics to crystal accented fashion straps (bling!).

Great Hairstyling !

It cools your skin as it tans and retains your natural moisture without oils that clog pores. Cool Bronze is the only self-tanner allowed to be used immediately after professional hair removal treatments. In Salon Special regularly \$26 only \$19.95!

Change of Season Skincare

It's a new season. Time to revitalize your skin from winters harsh cold winds and indoor dry heat, now only a memory. A deep cleansing facial will balance your skin again and prepare you for the upcoming humidity and outdoor heat! Deep cleansing

gets down into the pores with a special dirt attracting massage oil and vacuumed away like winters old memory. Humidity likes to bog down pores so they cannot breathe so easily. Your skin will feel refreshed, smooth and moisturized. This facial

Skincare

will normalize oil production and free the skin from congestion improving the appearance and stimulating the skins natural self-cleansing ability. So relaxing and so ready for summer fun! ✨
